

Coronavirus 2019

In response to the Coronavirus 2019 (COVID-19) Hjort Chiropractic has taken extraordinary precautions to help protect the safety of our patients, staff and doctors. We regretfully are currently closed but look forward to opening again in the future when this pandemic is under control. As soon as possible we will have updates regarding the re-opening of our clinic on this site.

It is important that we all work together to reduce the spread of the coronavirus19. If we all take the correct actions the spread of COVID-19 will be severely curtailed. We encourage all citizens to follow through with recommendations made by the MN department of health and the CDC. The links below offer the most up to date information regarding COVID-19.

Minnesota Department of Health: COVID-19

Mapping the Spread of the Coronavirus (COVID-19) Outbreak:

<https://time.com/5800901/coronavirus-map/>

Do the Five...Help Stop Coronavirus:

- 1) Hands: Wash frequently
- 2) Elbow: Cough into
- 3) Face: Don't touch
- 4) Feet: Stay 3 feet or more away from others
- 5) Feel: If you feel sick self-quarantine

At Hjort Chiropractic we appreciate having had the opportunity to help you with your healthcare needs for more than three decades. Our thoughts are with you

all during this challenging time. We are optimistic about the future and look forward to seeing you again when we re-open in the future!

Sincerely,

The doctors and staff at Hjort Chiropractic
